Zim, Zam, Zow, who’s back now?

On Thursday the 1st of August Stage 2 went on a two day excursion to Camp Toukley. They participated in great activities like the giant swing, obstacle courses, quad bikes, archery, crate stacking and much more. They had the time of their lives. Some of the students loved the giant swing because it went up so high and others enjoyed the quad bikes because they were really fast.

Now that they have returned from an action packed trip, they’re happy to be back to learn!
