MATTERS ARISING FROM PREVIOUS MEETING:

- Nitwits – More communication will be coming regarding them coming to the school. Ourimbah Public School representatives attended the P&C Meeting and gave Renee copies of what they have done in their school regarding Headlice programs.
- Classroom resources – the money is still to be transferred to the school bank account.
- Grey Folder – Debbie has offered to donate her folder to the School Council.
- School Evaluation Survey – this has been completed. Report under Principals Report.

FINANCE REPORT:

There have been issues accessing the new system so therefore no details were able to be obtained to present an accurate report.

There should be approximately $110,000 in the account after paying for the staffroom. $58,000 in global.

Still waiting on $20,000 grant from the Communities Grant. This will be deposited in the P&C account and P&C will need to transfer it into the school account.

Applying for supplement for excess payments (utilities) - $16,000 last year.

Should hear about the 50/50 funding for staffroom in May. Hoping that $65,000 will be covered.

Budget is in the new system so there should be more figures in by Friday.

The staffroom has all been paid for.

The security account is still to be received. There was a quote for $5,000 just for the staffroom for electronic system so going with key system.
