We have finally moved into our new room. It looks fantastic and will be so much easier to manage.
Thanks to Ross and Adrian for their assistance in moving the larger cupboards and of course, to Jenny for all your help and ideas.

However, we do need some storage cubes for the hats (2 x $49) and a step stool (up to $40).

Arrangements for Flexi schools is underway. They don't think we will need a printer but we can purchase one later if required.
